

# Amendment III

## 2045 Metropolitan Transportation Plan

**NORTHEAST ARKANSAS  
REGIONAL TRANSPORTATION  
PLANNING COMMISSION**

**NORTHEAST ARKANSAS  
REGIONAL TRANSPORTATION  
PLANNING COMMISSION**

**RESOLUTION 23-04**

**A RESOLUTION AMENDING THE 2045 METROPOLITAN TRANSPORTATION PLAN (MTP)**

**WHEREAS**, the Transportation Policy Committee of the Jonesboro Area Transportation Study (JATS) is the officially designated Metropolitan Planning Organization (MPO) for the Jonesboro metropolitan area; and

**WHEREAS**, the Fixing America's Surface Transportation Act (FAST) and subsequent Infrastructure Investment and Jobs (IIJA) Act requires MPOs to develop and maintain a Metropolitan Transportation Plan (MTP); and

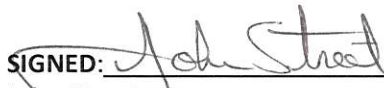

**WHEREAS**, the MTP must reflect the current Transportation Improvement Program (TIP) in order to demonstrate fiscal constraint and federal compliance; and

**WHEREAS**, the Transportation Policy Committee agrees that the FY 2023-2026 TIP reflects the investment priorities established in the recently adopted 2045 MTP; and

**WHEREAS**, the Technical Advisory Committee and the Transportation Policy Committee have reviewed and adopted the FY 2023-2026 TIP in accordance with the MPO Public Participation Plan requirements.

**NOW, THEREFORE, BE IT RESOLVED**, that the Transportation Policy Committee of the Northeast Arkansas Regional Transportation Planning Commission does hereby amend the 2045 Metropolitan Transportation Plan to include the FY 2023-2026 Transportation Improvement Program.

Duly recorded this 15 day of DECEMBER, 2022.

**SIGNED:**   
\_\_\_\_\_  
John Street  
Chairperson  
Council Member, City of Jonesboro

**ATTEST:**   
\_\_\_\_\_  
Alan Pillow  
Secretary  
MPO Director

# Amendment III

The information included in this amendment to the current Metropolitan Transportation Plan (MTP), **Propel 2045**, reflects newly programmed improvement projects for the Jonesboro metropolitan area and describes new federal funding sources established by the Infrastructure Investment and Jobs Act (IIJA). These projects and funding categories have been outlined in the adopted FY 2023 -2026 Transportation Improvement Program (STIP/ TIP), and as a result, must be incorporated in Propel 2045 by the Northeast Arkansas Regional Transportation Planning Commission (N.A.R.T.P.C.).

This amendment specifically showcases recent updates to the Short-Term projects originally listed in Chapter 6, Figure 6.9 (page 79) of the 2045 MTP. It must be noted that these Short-Term projects have been identified for implementation in the region through the FY 2023-2026 STIP/TIP.

# FEDERAL FUNDING CATEGORIES

Highlighted categories reflect funding categories established by the IIJA.

## **NATIONAL HIGHWAY PERFORMANCE PROGRAM (NHPP)**

In general, the NHPP provides support for the condition and performance of the National Highway System (NHS), and to ensure that investments of Federal-aid funds in highway construction are directed to support progress toward the achievement of performance targets established in a State's asset management plan. Restoration work on all State Highway System bridges is also an eligible use of these funds.

## **NATIONAL HIGHWAY FREIGHT PROGRAM (NHFP)**

The NHFP is for projects that will improve the efficient movement of freight on the National Highway Freight Network (NHFN) and support several goals, including---

- Investing in infrastructure and operational improvements that strengthen economic competitiveness, reduce congestion, reduce the cost of freight transportation, improve reliability, and increase productivity;
- Improving the safety, security, efficiency, and resiliency of freight transportation in rural and urban areas;
- Improving the state of good repair of the NHFN;
- Using innovation and advanced technology to improve NHFN safety, efficiency, and reliability;
- Improving the efficiency and productivity of the NHFN;
- Improving State flexibility to support multi-State corridor planning and address highway freight connectivity; and
- Reducing the environmental impacts of freight movement on the NHFN.

## **SURFACE TRANSPORTATION BLOCK GRANT PROGRAM (STBGP)**

The STBGP provides flexible funding that may be used by States for projects to preserve and improve the conditions and performance on any State highway or bridge.

A portion of these funds are set aside and sub-allocated as follows:

- **Set-asides**

Transportation Alternatives and Recreational Trails Projects (**TAP or RTP**), which provides funding for a variety of smaller-scale transportation projects such as pedestrian and bicycle facilities, recreational trails, safe routes to school projects, community improvements such as historic preservation and vegetation management, and environmental mitigation related to stormwater and habitat connectivity.

Bridges not on Federal-aid highways (**Off System Bridge**)

- **Sub-allocation**

A percentage of a State's STBGP apportionment (after set-asides) is to be obligated in the following areas in proportion to their relative shares of the State's population:

- ✓ Urbanized areas with population greater than 200,000 (**STBGP>200K**)
- ✓ Areas with population greater than 5,000 but no more than 200,000 (**STBGP**)
- ✓ Areas with population of 5,000 or less (**STBGP**)

### **BRIDGE FORMULA PROGRAM (BFP)**

The BFP provides funding for projects such as bridge replacement, rehabilitation, preservation, protection, and construction of new bridges on public roads. Funding is distributed based on a formula that compares replacing all poor bridges in a State and rehabilitating all fair bridges in a State. A portion of these funds are set aside as follows:

- ✓ Set-aside

A percentage of a State's BFP is required to be set-aside to address off-system bridge needs.

### **CARBON REDUCTION PROGRAM**

The CRP funds are eligible for projects that address traffic management, bicycle and pedestrian facilities, congestion management technologies, public transportation, and alternative fuel vehicle deployment support. As part of this program, the state must develop a carbon reduction strategy within two years and update it every four years. A portion of these funds are sub-allocated as follows:

- ✓ Sub-allocation

A percentage of a State's CRP apportionment is to be obligated in the following areas in proportion to their relative shares of the State's population:

- Urbanized areas with a population greater than 200,000 (CRP > 200K)
- Areas with population greater than 5,000 but no more than 200,000 (CRP 5K < 200K)
- Areas with population of 5,000 or less (CRP <5K)

### **HIGHWAY SAFETY IMPROVEMENT PROGRAM (HSIP)**

The HSIP funds are eligible for projects that will achieve a significant reduction in traffic fatalities and serious injuries on all public roads, including non-State-owned public roads and roads on tribal lands. The HSIP requires a data-driven, strategic approach to improving highway safety on all public roads that focuses on performance. A portion of these funds are set aside as follows:

- **Set-asides**

Railway-Highway Crossings Program (**Rail Hwy**) which provides funding for safety improvements to reduce the number of fatalities, injuries, and crashes at public railway-highway grade crossings.

### **CONGESTION MITIGATION AND AIR QUALITY IMPROVEMENT PROGRAM (CMAQ)**

The CMAQ program provides a flexible funding source to State and local governments for transportation projects and programs to help meet the requirements of the Clean Air Act. Funding is available to reduce congestion and improve air quality for areas that do not meet the National Ambient Air Quality Standards for ozone, carbon monoxide, or particulate matter (nonattainment areas) and for former nonattainment areas that are now in compliance (maintenance areas).

- **Sub-allocation**

CMAQ Program funds dedicated to West Memphis, AR (**CMAQ AQ**) for projects to the attainment or maintenance of a national ambient air quality standard. CMAQ Program flexible funds (**CMAQ Flex**) that may be used by States for projects to preserve and improve the conditions and performance on any State highway or bridge.

### **FEDERAL LANDS ACCESS PROGRAM (FLAP)**

The FLAP provides funds for projects on Federal Lands Access Transportation Facilities that are located on or adjacent to, or that provide access to Federal lands. This is a competitive grant program.

### **FERRY BOAT PROGRAM (Ferry Boat)**

The Ferry Boat Program (**Ferry Boat**) provides funds for the construction of ferry boats and ferry terminal facilities. This is a competitive grant program.

### **DISADVANTAGED BUSINESS ENTERPRISE SUPPORTIVE SERVICES PROGRAM (DBE)**

The DBE Program's primary purpose is to provide training, assistance, and services to minority, disadvantaged, and women business enterprises so as to increase their activity in the program, and to facilitate the firms' development into viable, self-sufficient organizations capable of competing for, and performing on federally assisted highway projects.

### **ON THE JOB TRAINING PROGRAM (OJT)**

The OJT Program is funded by the Workforce Innovation and Opportunity Act and allows States to hire and train skilled workers and get reimbursed for these efforts.

### **PROMOTING RESILIENT OPERATIONS FOR TRANSFORMATIVE, EFFICIENT, AND COST-SAVING TRANSPORTATION GRANT PROGRAM (PROTECT)**

The PROTECT Grant Program provides funds for improvements to system resiliency. Funds will be distributed by formula and through competitive grants.

### **NATIONAL ELECTRICAL VEHICLE INFRASTRUCTURE FORMULA PROGRAM (NEVI)**

The NEVI Program provides funds for projects that are directly related to the charging of a vehicle and only for electric vehicle (EV) charging infrastructure.
