Amendment I

The information included in this amendment to the current Metropolitan Transportation Plan (MTP), **Propel 2045**, reflects newly programmed improvement projects and dedicated federal funding sources set by the Arkansas Department of Transportation (ARDOT) for the Jonesboro metropolitan area. These projects have been outlined in the adopted FY 2021 -2024 Transportation Improvement Program (STIP/TIP), and as a result, must be incorporated in Propel 2045 by the Northeast Arkansas Regional Transportation Planning Commission (N.A.R.T.P.C.).

projects. It must be noted that these Short-Term projects have been identified for implementation in the region through the FY 2021-2024 STIP/TIP. This plan has allowed for additional federal funding to be dedicated to the MPO region within the given timeframe. These additional funds have been included in the financial projections for the Jonesboro Area Transportation Study (JATS) boundary.

¹ Federal-Aid Fund estimates based annual program fund marks developed by ARDOT. Fund marks for STBG Flex, City, Town & CMAQ Flex increased in Short-Term to match STBGP funding in the FY 2021-2024 Transportation Improvement Program (TIP).

² For all Federal-Aid Funds, an 80/20 match was assumed, except for HSIP for which a 90/10 match is assumed.

³Total Estimates of Available Funding assume that Other State Funds and Other Local Funds are not used for State/Local Match for Federal-Aid Funds (i.e., that State/Local matching funds come from other sources). It is noted that CAP funds are not programmed as State match in the FY 2021-2024 TIP and that approximately 12% of the total match for Federal-Aid Funds in the FY 2021-2024 TIP come from Local funds.
